

MAXAIR[®]
CAPR[®] IH[™]

The Next Generation CAPR[®]

See What's New!

The Fully Integrated PAPR Designed for Everyday Use

The Next Generation CAPR®

The CAPR® IH is MAXAIR®'s newest fully integrated PAPR, offering a lightweight, balanced, cord-free design that improves comfort and speeds donning and doffing. It delivers superior protection and dramatically greater comfort than an N95, without seal checks, fit tests, or failures.

Its grab-and-go integrated design simplifies workflows and increases clinician efficiency. The system includes the helmet and two rechargeable batteries, and can be configured with the Cuff, Gaiter, Bonnet, or Hood, making it the most cost-effective and versatile PAPR platform for hospital use.

The Fully Integrated PAPR

Designed for Everyday Use

The CAPR® IH Provides the Best Respiratory & Splash Protection Available

- NIOSH Approved¹
- Source Control²
- APF 25-1000
- No Fit Testing, N95 or Shield Required
- No Powercord, Hose, or Belt
- Lightweight & Balanced
- Always Visible LEDs
- Quick Donning & Doffing

The IH Product Line

Reliable Respiratory & Splash Protection

- NIOSH Approved¹
- No Powercord
- Integrated Battery
- Universal Fit
- No Fit Testing, N95 or Shield Required
- Lightweight & Balanced
- Cool & Comfortable
- 5 Airflow Speeds
- Safety LED Display
- Quiet Operation
- Quick Donning & Doffing

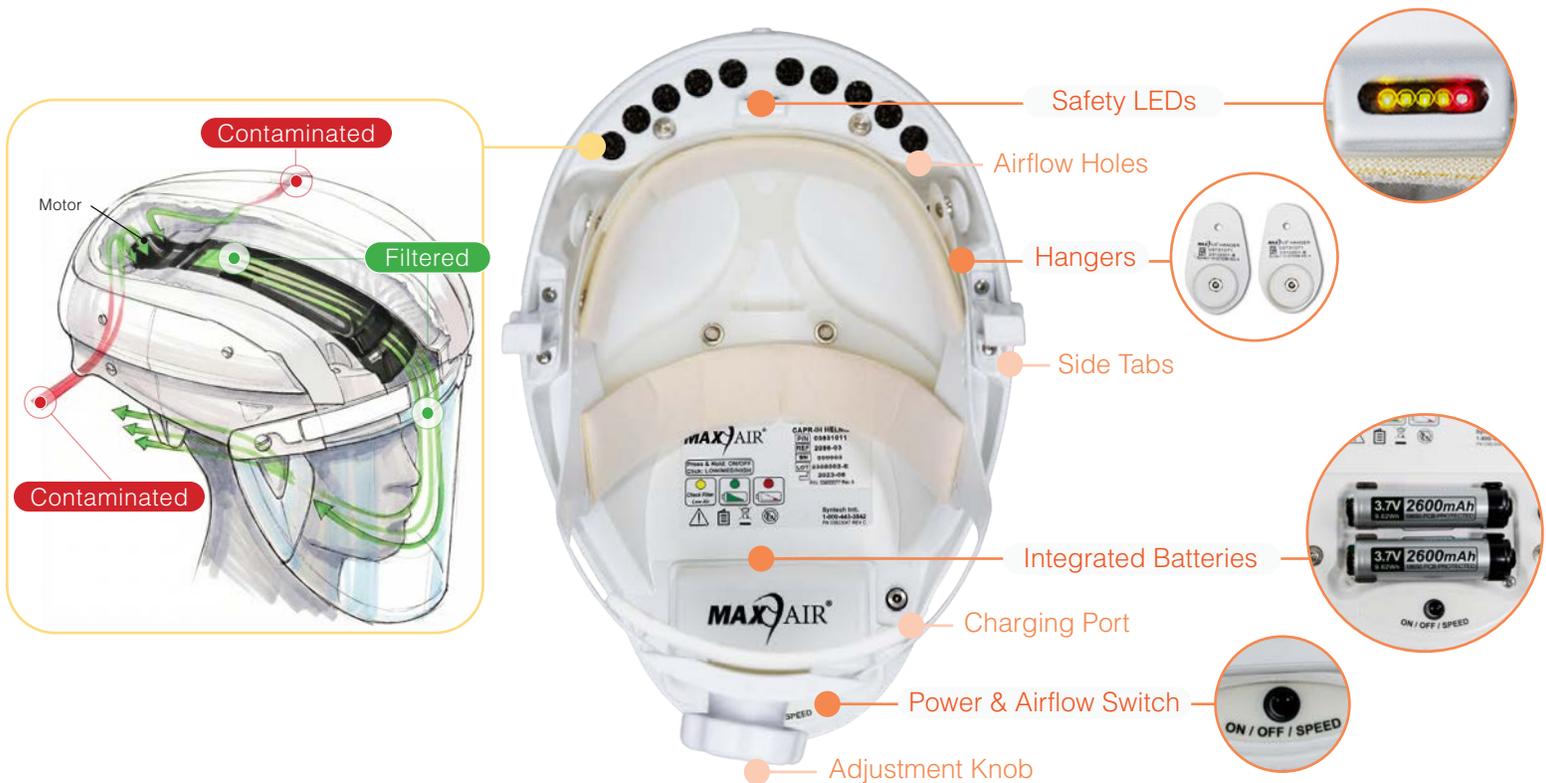

CAPR[®] IH Helmet

REF Number(s)	2086-03
Market Application	Healthcare
Product Classification	Helmet
Regulatory	NIOSH ¹
Size Specifications	Universal Fit
Battery	2 Integrated Batteries
Battery Runtime	6-8 hours

How it Works

The helmet motor pulls air through the filter on top, purifies it, and delivers the filtered air to the wearer.

Headcovers

The CAPR® IH delivers the ease and convenience clinicians want with the reliable protection they depend on.

With compatibility across multiple headcovers, it is built to help clinicians stay protected without compromising comfort.

Cuff

DLC Cuff

REF #: 2365-02

- NIOSH Approved
- Universal Fit
- No Fit Testing. N95 or Shield
- Lightweight & Cool
- Quick Donning and Doffing

Hood

Single PB Hood

REF #: 2271PB-100

- NIOSH Approved
- APF 1000
- Universal Fit
- No Fit Testing. N95 or Shield
- Lightweight & Cool
- Quick Donning and Doffing

Source Control Configurations

Gaiter

REF #: 2391-02

- NIOSH Approved¹
- Source Control²
- Universal Fit
- No Fit Testing, N95 or Shield
- Lightweight & Cool
- Quick Donning & Doffing

Bonnet

REF #: 2372-100

- NIOSH Approved¹
- Source Control²
- Universal Fit
- No Fit Testing, N95 or Shield
- Lightweight & Cool
- Quick Donning & Doffing

PB Hoods

REF #: 2272PB-100

- NIOSH Approved¹
- Source Control²
- APF 1000
- Universal Fit
- No Fit Testing, N95 or Shield
- Lightweight & Cool
- Quick Donning & Doffing
