Gaiter

- NIOSH Approved¹
- Source Control²
- Eliminates Fit Testing
- No N95 or Shield Required
- No Powercord
- Lightweight, Balanced, Cool
- Visible Safety LEDs
- Fast Donning & Doffing

Gaiter Data Sheet

Product Information

REF Number(s)	2391-02
Market Application	Healthcare
Product Classification	Gaiter
Regulatory	NIOSH ²
NIOSH Filter Class	PAPR100-N
Filtration	96% Source Control ²
Quantity per Package	20
Size Specifications	Universal Fit

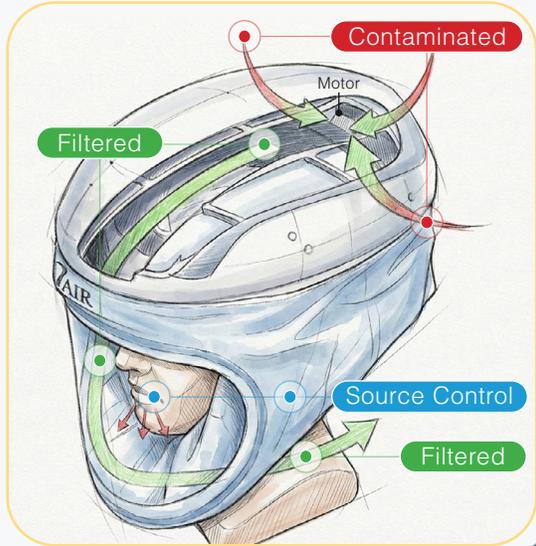

Superior Protection, Made Simple

The Gaiter keeps it simple. Pair it with the CAPR[®] IH Helmet, Filter, and Filter Cover Cap and you're ready.

How it Works

The helmet motor pulls contaminated air through the filter on top, purifies it, and delivers the filtered air to the wearer. For added Source Control, exhaled breath is filtered through the Gaiter's cuff.

¹ NIOSH certified and approved per 42 CFR Part 84
² Measurement of Outward Particulate Reduction, Technical Bulletin P/N 04123045
